

Statement

To Respected VIP Customers,

We, Jinko Solar Co., Ltd. (Jinko Solar), hereby confirm that the Jinko Solar PV modules [Module Type: JKMxxxM-6TL3 (-B), JKMxxxN-6TL3 (-B)] was / will be sold to customers located in EU, which will be mounted with **4 clamps on short side of frames as drawing below, where “J” is $1/4L(\text{Module Width})-50\text{mm}$ and “K” is $1/4L(\text{Module Width})+50\text{mm}$** , complies with the mounting standards of Jinko Solar installation manual.

In order to achieve the snow load and wind load presented in this document, rails can be either vertical or horizontal.

Using this mounting method will refer to following mechanical load value considering safety factory 1.5 based on IEC 61215 standard:

Snow load: 2400Pa;

Wind load: 2400Pa.

PV Modules installed using this method is covered by Jinko Solar standard warranty as agreed upon in the Purchase Agreement. However, Jinko Solar Co., Ltd shall not be liable for any damage of

modules due to the faults of the engineering and/or construction and/or designing of the PV system.

Kind regards,
